

HIKING FOR HOPE

BENEFITTING THE BLESSING CENTER

Over 3000 K-12 students in the Redlands Unified School District alone are classified as being “sheltered” homeless-- those living in cars, motels, campsites or “couch surfing.”

The Blessing Center is dedicated to developing and operating short-term housing for these children and their moms. Hannah’s House of Hope and Deborah’s House of Hope are currently operational in the City of Redlands as “Housing with Program” facilities with an emphasis on successful re-integration and independent, self-sufficient living.

Our Hiking for Hope event allows individuals and sponsors to partner with us in providing a safe, stable and loving environment with programs that will ensure successful transition through mentoring, counseling, therapy, parenting skills, after school tutoring, and much more.

Your sponsorship greatly impacts the lives of those served by The Blessing Center. Thank you for allowing us this opportunity to be an extension of your generosity. Please contact our Events Department with any questions.
